Historic Homes Tour – The Poudre Landmarks Foundation is gearing up for their Historic Homes Tour after 2 years without an in-person event. They are looking for volunteer docents to tell tour attendees interesting facts about the houses on the tour (don't worry, they provide the facts) and welcome people into the participating homes. There is a morning shift (3 hours) and afternoon shift (3 hours) and each volunteer is provided with a complimentary ticket to the event so they can tour the other houses with some uninterrupted "looky-loo" time. It is SO much fun and it fosters pride and belonging in our Fort Collins community. Plus, this year, all 5 homes featured are within walking distance! They are looking for approximately 38 community volunteers to help fill this need. Please complete [this form](#) to sign up and email [emily.rmpublishing@gmail.com](mailto:emily.rmpublishing@gmail.com) if you have any questions.
